Dog Training Liability Waiver

The Canine Campus Training and Wellness Center has no prior civil, insurance, professional or personal claims in regard to any animal training or animal related disputes. To date, an entirely clean occupational, criminal, and insurance/liability record is sustained, as well as occupational insurance and bonding.

1. I hereby acknowledge that I have voluntarily applied to participate in dog training activities with The Canine Campus Training and Wellness Center trainers.
2. I am aware that there are inherent risks and hazards involved in activities with and around dogs and I am voluntarily participating in these activities with knowledge of potential dangers. I am aware that any dog, regardless of training, handling, or environmental circumstance, is capable of biting and I expressly acknowledge the risks therein.
3. In order to participate in dog training classes or other activities, I, being fully informed of such risks and hazards, agree to assume all risks of such occurrences.
4. I hereby waive any and all claims or actions that I or my guardians or representatives may have, from any and all personal injury to myself, my dog, children in my charge, or harm to property or person caused directly or indirectly, through action or inaction of self or others, by acts that might occur in dog training classes, any other format of training activities or secondary training without trainer present or engaged.
5. I agree to indemnify The Canine Campus Training and Wellness Center and its employees and affiliates from any and all claims by myself, member(s) of family, or any agent while within training facilities, within my home property, or in the general public as a result of any action or inaction, of either my dog or any other.
6. I also agree to assume sole responsibility for injury or damage caused by myself, children in my charge, or by the dog I own or handle and further agree to indemnify, defend and hold the instructors, trainers, assistants, and property damage, loss, liability or expense, including legal cost and attorney's fees, which result from damage caused by myself, children in my charge, or by the dog I own or handle.
7. I have provided current vaccination documents from a licensed veterinarian. I understand that anytime dogs are exposed to other dogs that there is a potential for disease transmission. The benefits from interactions with other dogs far outweigh the dangers of transmission. I will not

hold The Canine Campus, the instructors, the trainers, or assistants accountable for any communicable disease.

8. The Canine Campus Training and Wellness center uses non-aversive training methods; I hereby understand that I am not permitted to use aversive training methods while at The Canine Campus or any of their training locations. I understand that if I choose to use any aversive training methods (including, but not limited to, shock collars, choke collars, pinch/prong collars) outside of my training classes at The Canine Campus, either on my own or at another training facility, that my dog will be at an increased likelihood to show aggression and reactivity, including, but not limited to, biting. The Canine Campus has made me fully aware of these potential issues with aversive training and I accept all consequences thereof.
9. The Canine Campus Training and Wellness Center may use pictures of me and/or my dog for publicity or promotional purposes of the "The Canine Campus Training and Wellness Center" without liability or obligation of any kind to me; however, no information/pictures can be sold or shared otherwise without additional consent.
